

## License agreement

By using the software, you agree to be bound by the terms of this license. If you have any questions about the terms below, please contact [FlippyScripts.com](http://FlippyScripts.com) for clarification.

All the Flippy products including Flippy Volume are allowed to use in unlimited domains for as long as you want. You are also allowed to sell the sites you made with Flippy products. You can call this “owned license” or “developer license”.

However you’re not allowed to sell the product its self (no resale rights). If you would like to earn money selling our products you can do so by joining our affiliate program.

## Updates and support

When you buy a Flippy product you will receive free updates and support for one year. If you need support and upgrade more than one year, you can simply buy one of our service packages (this include free updates for the time period specified in the service package you brought from us)

**Note:** We do not provide support or upgrades for the sites you sell which include a Flippy product. When you sell sites that include our product it’s your responsibility to support them or supply them with upgrades.
